CHURCH NEWS

In future editions of the TIMES-VIRGINIAN, we plan to run the regular church news the first Thursday in each month.

Each week the church news is the same and we feel that this space could be used for important events, such as revivals, church social functions, and the like.

It would be a good idea to clip out your church news if you are not positive of the activities for the month.

If you desire any corrections to the church news previously printed in this paper, please contact us and we will gladly make the necessary corrections. When turning in your church news, please include all activities for the month.

Vacation Bible School At New Hope

You have already learned that Vacation Bible School at New Hope Baptist Church will be June 11-15, with registration on June 9, at 10:00 a.m., at which time the young people will enjoy (we hope) a picnic at 12:00 noon.

There will be a nursery each day under the direction of Dora Conner, Mary Wooten, and Rose Anthony - and other helpers as they become necessary. Have no apprehensions about leaving your children there, for the nursery is a happy place where all the workers love children and strive to keep them happy.

This year the three-year olds will have their own department under the supervision of Ann Reynolds, Nancy Jamerson, Sheila Torrence, and Lynn Reynolds. These ladies have plans underway to make this a profitable, as well as a pleasant, week for the children. If you have a three-year old, will you please turn her/his name in to Ann Reynolds or Carrie Gilbert.

The Pre-school group, ages 4-5, will be under the leadership provided by Lorraine Torrence, Margie Morris, Linda Gallier, Bonnie Repass, Juanita Watson, Betty Guthrie and other ladies who are trying to shuffle schedules in order to help. They will be using "The Best Book" which includes Bible material and related activities.

It is amazing how much scripture the children learn during the week and how many new songs they can sing before the week is over. The teachers have been meeting and planning for a varied program with quiet, reverent work in addition to happy, vigrous activities.

Watch next week for information about the children, ages 6-8.
